*Information for authors:*

The KAS Journal is the oldest graduate student-run anthropology journal in the country. Since 1950, the UC Berkeley journal has published scholarly articles in all anthropology subdisciplines and in related fields that are of theoretical and practical interest. Internationally renowned and peer-reviewed, the journal is published twice a year. In addition to our print subscription, we operate a digital open-access version of the journal that is available in PDF format worldwide to researchers and the general public at no cost.
